HELLENIC CABLES S.A.

HELLENIC CABLE INDUSTRY S.A.

HELLENIC CABLES S.A. is a leading manufacturer of cables for over fifty five years, and is the sole producer of enamelled copper wire in Greece. The company's wide product range, which is sold internationally under the **CABLEL**® trademark, extends to PVC, EPR and XLPE insulated power cables, rated up to 400 kV, low smoke halogen free cables, telecommunication, signal and data cables with copper conductors or optical fibres and includes fire retardant halogen free plastic and elastomer compounds. Wires and cables can be supplied to a variety of international standards, such as: VDE, CEI, NF, SEN, BS, UL, NEMA, JIS, ASTM, DIN and ELOT. Many of the company's products are certified from ELOT, BASEC, VDE, IMQ, NF-USE, RAILTRACK, KEMA and DNV.

All **CABLEL**® enamelled wires are manufactured and tested to IEC 60317-0-1; customers may also request any other recognised international standard.

Technical know-how from world leaders such as FURUKAWA ELECTRIC, combines with continuous investment in state-of-the-art machinery, to ensure levels of efficiency and quality which meet the strictest standards.

The company's Quality Management System is certified to ISO 9001:2008 and its Environmental Management System to ISO 14001:2004. Our commitment to quality and sustainable development principles has been a key factor in enabling **HELLENIC CABLES S.A.** to establish a strong market position internationally.

The company's highly experienced technical and managerial staff, have a strong commitment to technological excellence and outstanding quality, which ensures that the user of **CABLEL**® products has made a **reliable choice**.
